You cannot have more than 100 marbles
Do you want to continue? [Y/N]: y
The number of marbles you have is 0
Would you like to pull marbles out or in? [O/I] o
How many marbles would you like to take out? 1
You do not have enough marbles
Do you want to continue? [Y/N]: y
The number of marbles you have is 0
Would you like to pull marbles out or in? [O/I] i
How many marbles would you like to put in? 20
You currently have: 20 Marbles
Do you want to continue? [Y/N]: n
```

My program will not let the user go above 100 marbles or below zero marbles and allows you to add and remove as many marbles as the user wants
